**Notes to enable the correct method to complete this form**

When submitting this form please tick any CL2 units you have already taken  
As this form is part of the Coach Level 2 course it is assumed you will take all these CL2 units  
The student has the opportunity to take the CL2 units with the BAB or scUK  
*Courses in your area can be found on the scUK website*

You need to complete this form before applying for the Coach Level 2 course  
You can not submit a application for CL2 until all the CL2 courses have been completed  
Once signed by your association take a copy to record when you have completed each course  
Send the original form to G Cooke

*This method has to be used as the administration involved for numerous students taking differing CL2 units is too difficult for me to control effectively for each individual*
